MAILING CALENDARS

Plan packaging and postage before you promise a shipped price.

55printing.com free worksheet

WEIGH IT

Our 16-page 6 x 9.5 calendar weighs about 2 oz. With a rigid mailer, plan on 3-4 oz total.

PACKAGE IT

Stay-flat rigid mailer 6.5 x 10 in. Bendable envelopes damage the fold. A chipboard backer adds protection.

POSTAGE

USPS Ground Advantage or First-Class for a single calendar; Media Mail does NOT apply to advertising calendars.

PRICE IT

Mailer + postage + your time. Add it to the sale price or charge shipping separately.

BULK DROP

Shipping 50+ at once? Ask the post office about presorted rates or use a postal consolidator.
