

FREE PRINT PROOF · 101-POINT BOARD

We inspect 101 points before you approve.

Color copies, black and white copies, and Digital Fast jobs stay on this path. Offset stays CMYK GRACoL. Digital stays RGB. Print As-Is skips the free-fix path.

How the free fix works

We name the issue on the note. You click Request Changes. Then the fix is free. We do not silently redesign. Standard trim and bleed is the house path. Famous-issue work waits for your OK.

Keep FREE Digital Proof. Print As-Is skips this sheet.

A walk-up copier and a GotPrint Instant Online Proof print the file as received. This sheet is the 55printing staff board.

FAMOUS ISSUES · FREE AFTER YOU ASK

55 famous issues. Dead QR, small type, overlap first.

These rows sit on top of the 101-point board. We alert. You ask. Then we fix at no charge. High-confidence copy only. No silent rewrite.
