Compare the same print job

Poster pieces and document sets need different quantity notes.

Use one column per dated quote. Copy the actual specification and destination before comparing totals. This blank worksheet is not a quote or a delivery promise.

CHECK BEFORE YOU COMPARE

- ☐ Separate production time from shipping transit.
- ☐ Include artwork and proof review before any in-hand target.
- ☐ Confirm current availability, minimum and selected layout on the product page.
- ☐ For 13 x 19 digital posters: white border only; do not request full bleed.
