13 x 19 DIGITAL SHEET

WHITE BORDER ONLY

Finished size. No oversized bleed file. No edge-to-edge trim.

BLACK OUTLINE: FINISHED SHEET

13 x 19 inches. Build the document at these exact dimensions.
The white border is part of this sheet, not extra paper for trimming.

CYAN LINE: LAYOUT-SAFE INSET

Keep essential text and logos at least 0.25 inch inside each sheet edge.
This is a layout guard. Confirm the final image fit and borders on the proof.

KEEP THE DESIGN IN PROPORTION

Contain the artwork without stretching. A different aspect ratio can leave wider white areas on two sides. Review every edge before approval.

REMOVE THIS GUIDE BEFORE UPLOADING

Remove all guide lines, instructions and the logo from your finished artwork.
Export a sharp PDF with embedded fonts at the selected finished sheet size.

Layout-safe rectangle: 12.5 x 18.5 inches

For full bleed, select an eligible 12 x 18, 11 x 17 or 8.5 x 11 job instead.
